

AFP Imaging Customer Care Program

AFP is pleased to offer all new EVA Vet Plus and Image Vet 70 customers access to our Customer Care Program.

The Program was designed to:

- Answer any questions about installation
- Instruct them how to get started with their equipment
- Inform them of training options

New customers can also arrange for a private instructional webinar. Please contact AFP's Veterinary Product Manager, Herb Clay at hclay@afpimaging or (203) 722-0766 to schedule a time.

The Customer Care Program also includes:

- Complimentary Monthly informational/training Webinars
- Complimentary on-line product assistance
- Free ProImage and ViewAll Vet instructional information
